

MCH Mother Services KenyaEMR

[Last updated: March 2024]

Tasks:	Enter patient data into the KenyaEMR and enroll them for Mother Services in the MCH program
Objective:	Successfully Login to KenyaEMR and successfully Record all MCH Mother enrollment data and make MCH-related KenyaEMR forms available.
Who:	All facility staff responsible for enrolling patients into the MCH program.
Required Materials:	Username, password, computer with KenyaEMR 3.x ver18.7.2 and above installed,patient name, ID, and/or age.

Step 1 Login to KenyaEMR.

Enter the application server URL system.

"[ServerIpAddress:8080/openmrs /spa

J" and click on the load button or Enter key from the keyboard. On successful loading, you should be navigated to the system login page.

Authenticate entry by providing username on the field and click "*Continue*" Upon successful login, you shall be navigated to the password page.

	Clic ← B	sk "Back" to go back if you want : Back	to enter a different us
