

SOP: ART Fast Track Form in TaifaCare

Tasks:	Fast track TaifaCare navigation
Objective:	Gain skills to fast-track stable patients on ART
Who:	TaifaCare TaifaCare user
Required Materials:	Username, password, computer installed with latest version of TaifaCare Last Update: Aug 2025
STEP	ACTION
1.	 With the assumption that the terminal is connected to EMR instance and that the correct Login URL to TaifaCare TaifaCare has been provided Step 1: Enter a pre-approved Username and Click Continue to Enter Password
2.	 After a successful login, you will be directed to the Taifacare Homepage. By default, you will be directed at the active visits for that day.

3.

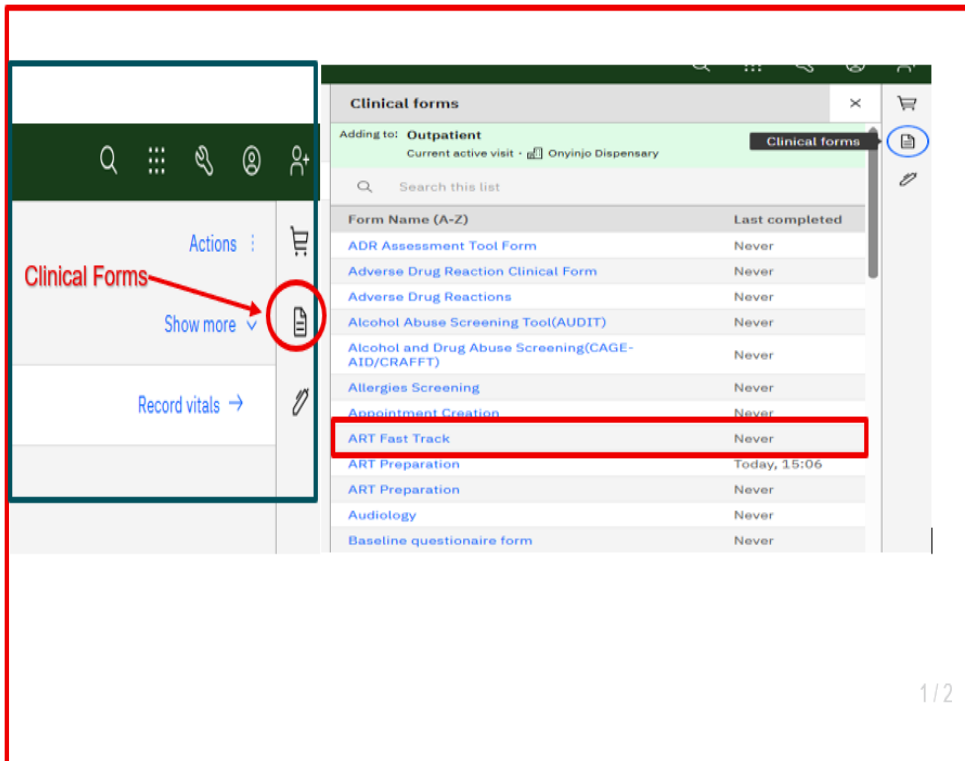

Check in Patient to initialize the client encounter.

To access the ART Fast Track Form your patient must meet the criteria below.

1. They must have had a previous clinical encounter filled in the Greencard.
2. Their current appointment reason must be Drug refill.
3. The visit must be by self and not by a treatment supporter or caregiver.

4.

From the Clinical Forms Icon, expand to show the list of available forms.

If all the conditions spelled above have been met, the ART Fast Track form will be available as per the adjacent screen shot.
