- Capture and review all entered data for accuracy in the discharge form. Ensure compliance with facility protocols.
- Review all fields again.
 Click 'Save & Close' to finalize or cancel to abort. Ensure any attachments e.g. Burial certificate is attached and documented by clicking on 'Record attachments'.
- 3. Please note that if the deceased has a bill pending the system will provide a warning and request for the bill to be cleared. Refer the 'Mortuary Billing SOP' for further details on this component
